

## Job opening in the PAWS Companion Animal Services Department

Are you a seasoned animal welfare professional looking to take the next step in your career? Does wearing multiple hats and being a jack of all trades appeal to you? Do you enjoy working directly with the public making adoption matches and providing excellent customer service? If so, then PAWS has the job opening of your dreams as a Shelter Operations Specialist.

PAWS Companion Animal Shelter, located just 15 miles north of Seattle in Lynnwood, has a 97% save rate, caring for over 4,000 cats and dogs, while matching over 3,700 with new families each year. As the Shelter Operations Specialist, you will perform advanced operational duties, including opening and closing, and acting as staff lead when management is not available. Shelter Operation Specialists (SOS) are generalists who possess the knowledge and experience to provide for the comfort and health care of animals at the shelters and assist the public and animal control officers in their transactions with PAWS. They perform advanced tasks and procedures in support of the Customer Service, Animal Care and Animal Behavior Leads.
